activate your lessons with meaningful activities

## Quick Minds 2 for Ukraine. Activity Book. Back to School. Lesson 5

### 3 Match the pictures with the sentences.

It's no good.  Stop the bus!  What does she want?

To bring this activity to life and to create a meaningful communicative situation, you might provide a role-play matching activity.

- Divide your classroom into groups of 3.
- Each group receives a full SET 1 of cards, choosing a role for each.
- Each group chooses 1 card from the SET 2 of cards.
- Tt sets time limit for all the teams to prepare an etude without the words.
- Ss demonstrate the scenes open class, while others guess the situation. Ss who were demonstrating the scene can repeat it again but with the text.
- If needed, Tt can join one of the groups and model the activity before setting the time limit, so that Ss have an example.
