

5 Around the world

1 Read the postcard. What did Lucy drink?

I'm in Cairo, Egypt. It's full of noisy cars, bicycles and lorries, the traffic is quite scary! But Cairo is an amazing city. The pyramids are in an area called Giza, the Sphinx is there, too. I was really surprised, the Sphinx isn't very big, it looks huge in pictures.

I saw a real mummy. We went to the Egyptian Museum and there were hundreds of mummies. I even saw the mummy of a monkey. It was very strange.

We went to a huge market called Khan el-Khalili. There are hundreds of little shops and it's very busy, full of tourists and local people. We went to a traditional café and had some tea with mint. It was delicious!

See you soon, Lucy
