*Hi Auntie,
How are you?
It's my birthday next week. I like playing silly party games but I'm a bit worried that my friends think I'm a bit childish... I don't care! I like party games.*

We can play Hunt the Thimble: one person hides the Thimble (which could be anything) and everyone comes in to look for the object. The person who finds the thimble then hides it.

Or we can play Marco Polo. In this game, one person is Marco Polo, everyone else has to find him, but they can only use their ears. Everyone covers their eyes and shout: 'Marco' the person who can see shouts back 'Polo'. The first person to find Marco Polo wins.

But my favourite game is Hot Potato. Everyone sits in a circle and we throw a ball to each other. Anyone who drops the ball is out.

Which game do you want to play? Have you got any other ideas?

I hope you can come to my party.

Jenny
