Reading Worksheet

## 8 Look at that baby

1 Read. Why does the narrator give the puppy cheese?

☐ We've got a new puppy. She's only very small but she thinks she's the biggest dog in the world. She's not scared of anything; she growls at bigger dogs. I think they laugh at her.

☐ She chases everything in the sky: birds, planes, kites. She jumps up high and tries to bite them.

☐ Mum and dad told me I could have a puppy but only if I trained her. I'm trying to train her but it's not easy. She likes cheese, I show her a piece and I tell her to sit. She sits for a moment. Then she gets bored and starts jumping around. Training a puppy is a lot of work, but I'm not going to give up. All I need to do is be more interesting than butterflies and cheese! Hmm, how do I do that?
