TAPESCRIPT

Pablo: Before I go to school in the week, I usually have tomatoes and oil on toast. Sometimes I have an orange or a banana with yoghurt and a drink of hot chocolate. My sister always has a glass of milk or water after a bowl of cereal. She never has toast.

Lunch is our main meal of the day and we have it at school at about one o'clock. For the first course, we normally have salad and the main course is usually fresh meat and potatoes. We always have something sweet at the end of the meal. There's a choice of fresh fruit or cake, but sometimes we can have ice cream. That's my favourite! We always have water with lunch.

For supper, at around eight o'clock, we don't have a big meal. I have a ham sandwich or some crisps and my sister has bread and jam while we watch TV. We don't go to bed late in the week.
