READING

Read the text and complete the sentences with one or two words.

Hi! My name's Samantha and I live in London. That's London, Ohio, USA! It's a bit different from London, England. It isn't as big as London, England, and there aren't as many things to do, but I like it. There is a great swimming pool here and there are lots of parks. They are smaller than the parks in London, England, though. My house is on North Main Street and it's opposite a basketball court. I go there every day to play. Last year I travelled to Europe for a month. It was my longest trip ever. Of course, I stayed in London, England, for a few days, just to see what it was like. It's a beautiful city with lots to do. The red double-decker buses were great and I really liked the museums. But I think London, Ohio, is nicer, though, because it's my home.

1. Samantha is from _____ .
2. London, England, is _____ than London, Ohio.
3. Samantha visited London, England, _____ .
4. Samantha likes London, Ohio, more than London, England, because it's _____ .
