### While watching

#### B. Watch Part 2 of the video and answer the questions.

- Does Lee like his friend's painting?
- What does Alan look like?

#### C. Watch Part 3 of the video. Which of the following best describes the video? Choose a, b or c.

- a. How useful emoticons are.    b. The wide variety of emoticons.    c. The history of emoticons.

#### D. Watch Part 3 of the video again and write T for True or F for False.

- People used computers to make the first smiley faces.
- Harvey Ball didn't get a lot of money for his famous smiley face design.
- The first person to type a smiley emoticon in an electronic message was Scott Fahlman.
- A colon often is a symbol for eyes.
- Kaomoji emoticons are usually on their side.

#### E. Watch Part 3 again and answer the questions. Choose a or b.

- What colour was the first smiley face?  
a. yellow                      b. red
- When did Harvey Ball first design the smiley face?  
a. 1945                        b. 1963
- What was Scott Fahlman doing at Carnegie Mellon University in 1982?  
a. He was a student.      b. He was a teacher.
- Where did Scott Fahlman suggest using the emoticon :-)?  
a. next to a serious message    b. next to a joke
- What does the Kaomoji emoticon >-( ' v ' )-< show?  
a. a bird                        b. a koala

### After watching

#### F. Discuss.

- How often do you use emoticons?
- Do you know any other emoticons?
- Do you think they are a good way to communicate?
