TAPESCRIPT

1

Dave: We need to decide what we're getting for Lisa's birthday. Have you got any ideas, Rose?

Rose: Well, Dave, Mum lent me ten euros and I've got five, so that makes fifteen. What do you think we can get for that?

Name _____ Class _____ Date _____

Dave: I've got five euros as well, so that means we've got twenty, so how about a couple of DVDs? You know how she loves romantic comedies.

2

Maria: Excuse me, please. I'm looking for some black jeans.

Male assistant: Yes, of course. They're all over there. Whatsize are you?
I'm guessing 38 or 40.

Maria: I'm not sure but I think probably 42.

Male assistant: Well, why don't you try a few?

3

Mark: How about trying the new coffee shop that's just opened?

I saw an ad in the local paper and they're offering a discount on anything you have to drink during the first week.

Laura: What kind of discount?

Mark: Fifteen per cent.

Laura: Wow, that's amazing. What are we waiting for?!

I'm really thirsty, so let's go!

4

Grandma: Goodness me, Jack, I can't believe how much you've grown. You were only about one metre sixty the last time I saw you. How tall are you now? One eighty-five?

Jack: Well, you haven't seen me for ages, Grandma, so it's hardly surprising. Actually, I'm the tallest boy in my school ... one metre ninety-five.

5

Emma: I've found a really good recipe for a chocolate cake but first we need to check that we have all the ingredients. Can you tell me how much flour we need?

Ben: Four hundred and fifty grams.

Emma: Are you sure?

Ben: That's what it says ... oh and two hundred and fifty grams of butter, two hundred and fifteen grams of sugar, four eggs and one hundred millilitres of milk.

Most of my friends spend their free time online or playing computer games but I prefer to be outdoors with my camera. I love taking pictures of trees and animals. I know it sounds crazy but I enjoy being on my own so it's the perfect hobby for me and I hope it'll be my job one day!

Speaker 2

The most difficult thing about learning English? Well, that's easy to answer. It's not the grammar or vocabulary. No, it's the spelling. We have tests every week but I still make a lot of mistakes. I think it's because there aren't any rules when it comes to pronunciation, so you just have to learn it.

Speaker 3

My sister fell off her bicycle last week and she had to go to hospital as they thought her leg was broken. Luckily, it wasn't but she can't really walk at the moment. She's always busy and doing things so she doesn't like being at home on the sofa all day, but at least she can study.

Speaker 4

Our last camping trip almost ended badly! We didn't take enough food and water with us and we forgot to take the map. Luckily, I had a compass, so I was able to get us back to the tent. By then it was already dark and quite scary and we were really hungry!

Speaker 5

It's just not fair! Every weekend I have to help Mum with housework while my sister goes out with her friends. I usually do the dishes after supper too. And what does Mia do? Well, she doesn't do anything. She just makes a mess or sometimes she'll make Mum a cup of tea, but that's only when she wants something.

Last year Dad bought an old wooden house on the beach. We all like being by the sea, so it's perfect for us. We go swimming and diving and spend time with the other families. My best friend joined us this year and she really enjoyed herself because she likes watersports too.

Speaker 2

When I was in primary school we had to do a project on royal families around the world so I wrote to the Queen at Buckingham Palace. I didn't really think I'd get a reply but I did get a letter back thanking me for my questions. Sadly, I didn't keep the envelope but the letter is one of my favourite things.

Speaker 3

A new family have just moved in next door. The two boys are the same age as me and my brother so we'll probably see them at school but I don't know anything about their parents. Mum and Dad want to invite them all over to welcome them to the neighbourhood, so I guess we'll have to be around too!

Speaker 4

Dad's got loads of music so he's always listening to something. I like a lot of the same stuff that he likes, you know, rock and blues and stuff like that, but I'm really not into classical, although he's trying to educate me! He's even got tickets for a concert next week.

Speaker 5

As a surprise for my birthday, Mum took me to London for a long weekend. We stayed in the most amazing place with fantastic views over the city. The weather was really good, so we walked everywhere and we also went to a couple of museums but sadly no galleries as we didn't have enough time.
