1. p l a n e

2. _____

3. _____

4. _____

5. _____

E Read and write *True* or *False*.

Pocho is a crocodile in Australia. Pocho is long and green. Has Pocho got friends? Yes, he has. Many crocodiles are his friends, but one of his friends isn't a crocodile. What is it? Is it a monkey or a snake? No, it isn't. Pocho's friend is a man. His name is Chito.

One day, Pocho is sick, and Chito helps him. Now they're best friends. Chito comes to the crocodile every day. Look! They're swimming together. Is Chito faster? No, he isn't. The crocodile is faster than the man. And now they're playing together. Every evening, Chito goes home, and Pocho goes to his friends, the crocodiles.

Based on the news story from <https://animalsaustralia.org/our-work/wildlife/amazing-croc-story/>

1. Pocho's got many friends. True
2. Chito is a long crocodile. _____
3. Pocho helps Chito. _____
4. Chito is slower than Pocho. _____
5. Every evening Pocho goes home with Chito. _____

- I can write animals words.
