**E** Read and match pictures to the festivals.**1**

It's Rio Carnival today. This is a celebration in Brazil. The festival usually goes on for five days in spring. The city is very beautiful. There are many colours in the streets. Many people visit this festival. They wear costumes and masks, dance and sing.

**a.****2**

This is Floriade. It's a famous festival in Australia. It's in September. The festival is in a big park. There are many flowers. People come to see these flowers, take photos or draw pictures. Families and friends have picnics and play games.

**b.****3**

La Tomatina is a festival in Spain. It's in summer. What is fantastic about this festival? You can throw tomatoes. Tomatoes are everywhere. People throw tomatoes at each other and have fun. But then, they clean the streets, and the city is beautiful again.
