It's spring now! This is my grandpa. He's got a big farm. Look! There are lots of animals. Guess! What are they? They are dogs, cows and donkeys. They can't sing, swim or talk. They can walk.

There are bees, birds and ducks. I like them all. They can fly. It's lots of fun – play and run, run, run.

I've got food for them – apples, carrots, fruit, nuts and water.
