Do you like drawing and painting? Then you're going to love Art Club!

In the mornings, you're going to learn new art skills with friendly teachers. You're going to draw animals, paint nature, and even make sculptures from clay! Every day, you'll try something different – watercolours, pastels, or paper crafts. The teachers are artists who love working with kids. They're going to help you learn and have fun at the same time!

In the afternoons, you're going to go outside and find ideas in the park. You're going to play games, talk with friends, and see that art is everywhere!

On the last day, you're going to have an art show for your family. You can show your favourite drawing or painting!

So bring your pencils, your colours, and your imagination!

Art Club is the perfect place to learn, create, and smile!
