

Vocabulary revision

Module 3

Name: _____ Grade: _____

1 Read a text and fill in the blanks using the correct words.

turn on, shut down, download, upload, charge, install, press, attach

When I chat online, I usually start by (1) _____ my laptop and checking my messages. If my battery is low, I (2) _____ it before I continue. Sometimes I need to (3) _____ a new app to talk with my friends or to join a group chat. When I want to share photos or videos, I can easily (4) _____ them to the chat. If I want to send an important file, I just (5) _____ it to the message. Before starting a video call, I usually (6) _____ the button to connect my camera. When I'm done, I always (7) _____ the computer to save energy. And of course, I love to (8) _____ my favourite songs from the internet while chatting!

2 Read each sentence and choose the correct word.

- 1 I tried to call you, but we *got cut off* / *call back*.
- 2 Can you put me *through* / *on hold* to the manager, please?
- 3 I'll *call back* / *receive* a reply as soon as I finish my meeting.
- 4 We *lost touch with* / *cut off* each other after school.
- 5 I *received a reply* / *was cut off* to my message two hours later.
- 6 I need to *have a word with* / *put me through* you about that new chat app.

3 Sort the expressions into two groups. Put the words and phrases into the correct columns.
