

Easter

Read the text below and answer the questions.

Easter is a special holiday in spring. Many people celebrate Easter with their families and friends. It is a happy time with colorful eggs, chocolate, and fun activities. One popular activity is the Easter egg hunt. Parents hide eggs in the garden or house. Children look for the eggs and put them in baskets. Some eggs are real, and some are made of chocolate or plastic. Another fun tradition is painting eggs. People use bright colors to make the eggs beautiful. Some families also eat a big meal together. There are flowers, bunnies, and chicks everywhere. Easter is a time for joy and new beginnings. People enjoy spending time all together.
